CAREER OBJECTIVES

As a recently graduated, I am eager to embark on a challenging career in computer science. I thrive in competitive environments that encourage continuous learning and innovation. My goal is to contribute my skills and knowledge to a dynamic company, where I can make a meaningful impact.

SKILLS

- **PYTHON** : Core and Advanced Python, Essential libraries like **Pandas, NumPy.**

- **PYTHON FRAMEWORK :** Django.

- **SQL** : Introduction DBMS, RDBMS,DDL, DML, DQL, DCL, TCL, Constraints, Filter, Logical Operators, Relational Operators, Special Operators, Relational operator, Set operators Arithmetic operators, Aggregation, Group by, Having, Order by , Joins , Sub query, Tables and Views.

- **HTML5 :** create responsive web designs that adapt to different screen sizes and devices.

- **CSS3 :** create stylish, responsive, and accessible web interfaces using CSS
- **CSS FRAMEWORK :** Bootstrap5.

- **JAVASCRIPT :** Core Concepts, DOM Manipulation, Event Handling.

- **API DEVELOPMENT** : Develop and maintain APIs that allow communication between different systems and applications.

- **DEBUGGING AND TROUBLESHOOTING :** Identify and resolve issues in the backend code and database systems.

PROJECTS

E-MART(E-Commerce Website)

- E-MART is an online shopping website, it allows users to browse products, make secure payments, track orders, and enjoy a smooth shopping experience.
- It is made by using **Python, Django, MySQL, HTML, CSS, Bootstrap**, and **JavaScript.**

E-MAIL SENDER

- Developed an email-sending functionality using Django's SMTP backend, enabling automated emails for user authentication, notifications, and alerts. Configured SMTP settings, implemented secure email delivery, and integrated it into views for seamless communication.
- It is made by using **Python** and **Django.**

INTERNSHIP

- **Python Intern**
- Python Development Internship in RD INFRO TECHNOLOGY.
- mar 2024 – apr 2024 (1 month)

- **Fullstack Intern**
- Fullstack Web Development Intern at INTERN ARMY.
- Apr 2024 – May 2024 (1 months)

CERTIFICATIONS

- **Qspiders**
  - Pytthon
  - Django
  - SQL
  - HTML5
  - CSS3
  - Bootstrap
  - JavaScript

CADEMIC QUALIFICATION

QUALIFICATION	INSTITUTE / UNIVERSITY	YEAR OF PASSING	PERCENTAGE
MCA	Sri Muthukumaran Institute of Technology, Mangadu.	2025	Pursuing
BCS	Chellammal Women's College, Gundy.	2022	70%
HSC	MBN Government girls higher secondary school, chrompet.	2019	64%
SSLC	MBN Government girls higher secondary school, chrompet.	2017	85%
